

Work Experience and Internship

Whatever your interest, the importance of undertaking a period of work experience or providing opportunities is growing since demand is rising.

Businesses have a desire to recruit graduates and overseas professionals who have some knowledge of the working world and this is something that students are becoming more aware of. A period of work experience can offer the following

- Opportunities for Employment
- Development of your CV & career path
- New skills and experiences
- Improved Professional Communication in English
- Business Reference

Details of Provision

Each Work Experience placement will last for a pre-determined length of time, normally 4, 8 or 12 weeks. Longer placements are available but they can only be considered when taking into account the needs of both the business and the student.

Paid Work Experience placements may be available in certain circumstances.

Students will be assessed by application form prior to placement. CV's will also be requested electronically.

An assessment of English Language Skills is also required.

A range of professional Work Experience placements with International, National, Regional and Local independent companies are available to access but only students meeting the requirements of the business will be referred.

Placements are only available in the United Kingdom and Ireland.
